Maharaja of Mysore in the General and Revenue
Departments.

Sir,

I have the honor to forward herewith copies of the marginally noted correspondence between this Office and the Deputy Commissioner, Kolar with a bill for Rs 50/- from Mr. Blacke, Medical Practitioner for service rendered to the wounded persons in a riot which took place on the night of the 3rd January at Robertsonpet. The Superintendent of Police of the Kolar Gold Fields reports that on the day in question, he found nine persons severely injured lying in Robertson Petta Station in a dangerous state and in immediate need of medical aid, having been stabbed and cut about with knives, that there was no time to send for the District Surgeon and therefore the services of Mr. Blacke, who was close at hand were requisitioned. A bill for Rs 50/- being the amount charged by the Medical Practitioner for his services was forwarded to this Office for sanction. The same was returned to the Deputy Commissioner for further particulars with the remark that the bill was rather high and susceptable of reduction. The Superintendent of Police returns the bill and explains that the circumstances under which Mr. Blacke was sent for were pressing and recommends the payment of the bill from the

the amount under "Secret Service".

In the circumstances represented I request that you will be so good as to move the Government to sanction the bill the amount of which being met from the head of Secret Service.

Sir,

I have the honor to request that the enclosed bill to Mr. Blacke medical practitioner, may be sanctioned and paid out of Hospital charges. I believe that there is an item under the head in the Inspector General's Budget.

The services rendered in connection with the riot in the shandy lately reported. On arriving at the scene I found 9 persons several injured lying in the Robertsonpett Station. It appeared to me that several of them were in a very dangerous state and required immediate medical aid having been stabbed and cut about with knives. I accordingly sent for Mr. Blacke who

who lives close to the Station. There was no time to send for the District Surgeon and I considered that <u>any delay</u> might result in loss of life.

Mr. Blacke was with the injured people a great part of the night and acted both promptly and skilfully.

Enclosure No. one

His letter No. 177 dated 14th ultimo, forwarding a bill from Mr. Blacke, medical practitioner for Rs 50/- being the amount of remuneration for his services rendered to nine wounded prisoners on the night of the 3rd ultimo in connection with the riot in the Shandy held there and requesting sanction to the expenditure to be paid out of "Hospital Charges" available at the disposal of this Office.

Has the honor to inform that the amount available under the head referred to above was utilized by this Office for some other purpose and intimated to the Comptroller. It is therefore

not

not possible to sanction the proposal as suggested in the above.

2. The charge is an extraordinary one, which could have been avoided if the Government Surgeon had been sent for at once and it therefore requires Government sanction. Enquires whether he has funds placed at his disposal out of which it could be met, and whether it is possible to reduce the bill herewith returned before submitting it to Government for sanction.

Returned to the Deputy Commissioner 23-2-04.

When I first saw the wounded Moplas it appeared to me and everybody else present that medical assistance was needed so urgently that a delay of minutes might have been serious. On this account I sent for the nearest man who was Mr. Blacke. I could not have got the Government Surgeon at once. I enquired for the Assistant Surgeon, who was also sent for, but did not appear till much later - after I had left the Station.

Mr. Blacke states that he cannot reduce the amount of his bill which includes Surgical dressings etc as well as attendance.

I would recommend that the amount should be sanctioned out of "Secret Service". I have a balance of over Rs 300/- under the head and this is more than sufficient for my require ments up to the end of official year so far as can be foreseen.
